

Ever had a day like this?
You need to spend a weekend with us!

Join us for a great weekend at Camp Pearl as we allow God to revive our hearts through:

- the biblical truths presented by our speaker, **Stacy McCabe**
- the inspiring worship in music led by our friends Heirloom
- the great time of fellowship around the table sharing some awesome meals with awesome friends
- the time just spent chattering with friends or just going for a walk on the grounds

So pack your favorite jeans & most comfy clothes, your pillow, sleeping bags, snacks, or whatever makes you happy! We look forward to the time together with YOU!
