How to Study Your Bible & Actually
Get Something Out of It!

Be diligent to present yourself approved to God..... rightly dividing the word of truth. 2 Timothy 2:15 We hope to introduce the first course for our very own [Bible Institute here at Camp Pearl Ministries -412 Training Center](#). Our goal is to offer courses that, when completed, would allow you to have a [One Year Bible Certificate](#). We wanted to give you a sneak preview (*Lord willing*), of what will be offered this Fall through the 412 Training Center.

Beginning Tuesday, September 1, 2020 at 6:30 pm

- ▶ **The class will meet once a week.** As the summer progresses, we will be sending out brochures with more details, but for now, mark you calendars and plan on being part of the class!
- ▶ **Title:** How to Study Your Bible and Actually Get Something Out of It.
- ▶ **Course Description:** This course is the equivalent of a four semester hour course (approximately 60 class hours) with the first half to be taught in the August-November time frame. It is a combination of both a study of the principles of the interpretation of the Bible and an applied practice of putting the results of various

"interpretations" into a form for communicating those interpretations to others.

- ▶ **Course Goals:** Preparing the students to properly interpret the Scriptures and to be able to effectively communicate the results to others.
- ▶ **Our course teacher is Darrel Cline**, graduate of Dallas Bible College (BA) and Dallas Theological Seminary (ThM), with approximately 55 years of experience in these two disciplines both in various places in the lower 48 states of the U.S. and in Alaska, Canada, Mexico, Africa, and India as a teacher at both Bible College and Seminary levels, and as a church planter and pastor-teacher.
